August 26, 2013

Dear Parents/Guardians:

Once again we have been invited to participate in the ALERTNOW service for inclement weather, emergencies, and transportation delays.

Kindly fill out the form at the bottom of the page with the required information. Each contact you supply will have the option of receiving the call for either school closings/delays (AM) or early dismissal (PM), or both. Keep in mind that if you circle AM for more than one contact, and you do not answer immediately, the system will call the next contact that is circled either AM or both. These calls may occur before 6 AM.

I will continue to have announcements made on the television as a back up to this system.

To ensure that these programs work successfully, please be alerted to the morning forecasts. If there is a potential for bad weather during the school day make sure that the phone numbers listed will be available to get the call. If you have access to a television, monitor the early dismissals as they announce them. Once we have tested the ALERTNOW system and find that it is working, we should not need to follow the television announcements as closely.

It is our hope that this service will facilitate inclement weather dismissals, emergencies that affect SJRA along with the district and transportation delays.

May God continue to bless each of us through this school year!

Sincerely,

Mrs. Amanda Salovay

Family Name _____

Contact #1 (home) _____ AM PM both

Contact # 2 _____ AM PM both

Contact #3 _____ AM PM both

- School Closing/delay circle AM
- Early dismissal circle PM

Child(ren)'s name and grade

*****PLEASE RETURN THIS FORM BY September 6, 2013**
