

# A Message from St. Joseph Regional Academy

**Do you or anyone else in your family drink Coke Products? If so, you can enjoy your favorite Coke products and help SJRA at the same time.**

For over 80 years, Coca-Cola has been supporting schools and providing resources that help create exciting opportunities for students. The My Coke Rewards for Schools program refreshes this longstanding commitment by enabling us to support all the ways kids play and make great things happen for SJRA. You can donate My Coke Rewards points to our school, and help us get things like athletic equipment, classroom supplies, learning aids and more.

## How Does It Work?

There are two ways in which you can help. One way is to collect codes and send them into school. We will do the rest.

The second way to help is to become a member of [mycokerewards.com/schools](http://mycokerewards.com/schools). Once you are a member, the member must log in at [www.mycokerewards.com/schools](http://www.mycokerewards.com/schools) and enter any codes they might have. After codes have been entered, members can search for a school to make a point donation. If members do not have new codes to enter and already have points in their account, they can skip this step and just search for their school. Members can donate any amount of points they would like as long as they have that number of points in their My Coke Rewards account.

## What brands participate in the My Coke Rewards for Schools Program?

Any My Coke Rewards points earned from codes found on participating brand packages can be donated to a school. My Coke Rewards participating brands include Coca-Cola, Diet Coke, Coke Zero, Sprite, Sprite Zero, DASANI, POWERADE ION, Minute Maid, VAULT, Pibb Extra, Fanta, Fresca, Barq's, Seagram's, Nestea and Mello Yello. Any Bonus Points earned can also be donated to schools.

\* We were able to purchase an All Purpose Equipment Cart and two All-Purpose Goals. Thank you for your participation throughout the school year.
