

# SAINT JOSEPH REGIONAL ACADEMY

## Certificate/Scrip Program

### Did you know??

St. Joseph Regional Academy has available, for your participation, a Certificate Program to help you with your tuition payments. In the school office, we have the following certificates for sale:

Jim Thorpe Market	(\$5, \$10, \$20)	Boscovs	(\$25)
Redners	(\$20, \$50)	JC Penney	(\$25)
Giant	(\$20, \$50)	Payless Shoes	(\$20)
Shop Rite	(\$25, \$100)	Treasure Shop	(\$5, \$10)
Pizza Hut	(\$10)	Walmart	(\$25, \$100)
Burger King	(\$10)	Lowes	(\$25)
Dunkin Donuts	(\$10)	Sunoco	(\$50)
Subway	(\$10)	I-Tunes	(\$15, \$25)

### What's it all about?

Everyone shops for groceries, spends money on clothes or eats out on occasion. For example, let's say that you are going food shopping for the week and plan to spend \$100. Before going to any of the above grocery stores, you could come to our office and purchase \$100 worth of certificates from us. You can then go shopping with the certificates as if you were using cash.

### What's in it for me?

Once you purchase the certificates from the school, a percentage will be applied towards your tuition. Since we buy the certificates in volume, we get them at a reduced cost and pass the savings on to our school families. Discounts vary from store to store. (A complete list of participating stores and their corresponding percentages are available in the school office.)

### How does it work?

If you purchased \$100 worth of certificates from us, \$3 to \$12 credit would be applied towards your tuition. If you did this weekly, or got your friends, neighbors, family involved, your credits could really add up. You may purchase any amount, no minimum purchase required.

### When do I receive the credit?

Three times during the year all the calculations are totaled (April, July and November) and you will receive a credit slip showing how much you have earned. In a few weeks (give us time to add up your credits) we will deduct your credit from the amount you still owe towards tuition.

### When and where can I buy them?

Certificates may be purchased in the school office when school is in session or you may send a request and check in with your child. If you need to order certificates from the list, orders are placed every other week.
